- Customisable E-mails - Personalise the text of your assessment invitation e-mails by setting up and using your own e-mail invitation templates.

AN EXAMPLE QUESTION AND ANSWER

Question #10

Correct

ID #153097

Subject **Logical Thinking**

Topic **Deductive Logic**

Level: **Beginner**

Elapsed time: **1m 5s**

Question: Which of the following statements can be accurately inferred from the statements below?

All flowers are plants.
The edelweiss is a European mountain flower.

Possible answers:

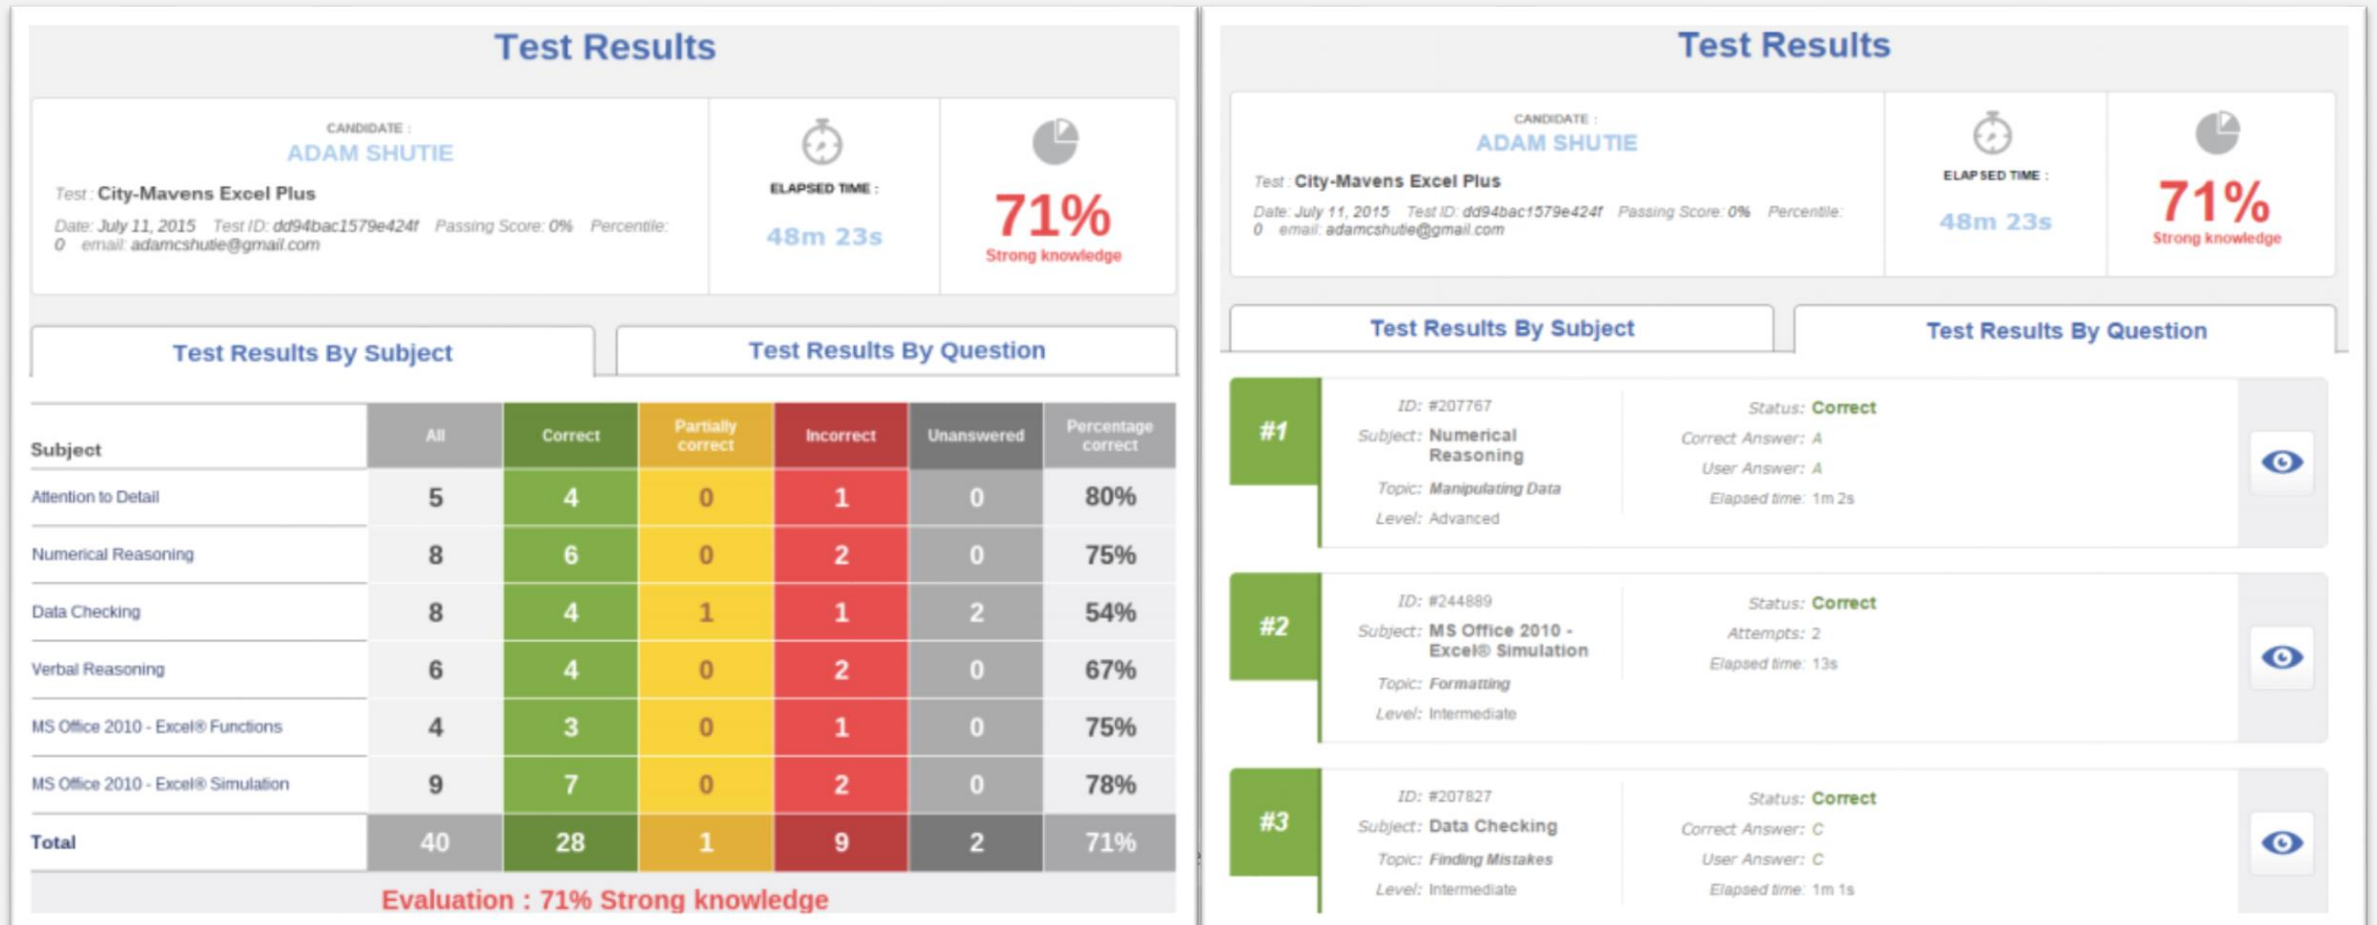

- A. The edelweiss is a plant.
- B. The edelweiss is a white flower.
- C. The edelweiss is not toxic.
- D. The edelweiss can be found in Asia.
- E. The edelweiss is a protected plant.

Correct Answer: **A**

User Answer: **A**

Explanation: Option A is correct. The conclusion which logically follows from the given statements is, "The edelweiss is a plant." This is because if the edelweiss is a kind of flower, then, according to the first statement, it must also be a plant.
